

Rock-It Cargo: Statement of Commitment to Supply Chain Security

Rock-It Cargo USA LLC is a proud certified partner in the United States Customs Trade Partnership Against Terrorism (CTPAT), a voluntary government-business initiative aimed to build cooperative relationships that strengthen and improve overall international supply chain security and U.S. border security.

As part of CTPAT, Rock-It Cargo has developed a security profile that meets the requirements as set by U.S. Customs and Border Protection to protect the supply chain from criminal activities such as drug trafficking, terrorism, human smuggling, and transport of illegal contraband. We are committed to ensuring that our supply chain security policies and procedures are implemented effectively to protect the safety of all of our employees, customers, vendors, agents and business partners.
