

# Environmental, Social, Governance Corporate Partners

---

1. [Effect Partners](#)

*“Effect Partners is the live event industry’s leading environmental and social impact consultant. For 30 years, Effect Partners has worked with hundreds of artists and dozens of brands to pioneer environmental standards for the live event and corporate sectors. Rock-It Cargo has engaged Effect Partners as a sustainability advisor to provide guidance on their ESG strategy and support with developing a climate positive program.”*

2. [Sustainable Travel International](#)

*“When you partner with Rock-it-Cargo you have the option of offsetting the carbon emission of shipment through Sustainable Travel International. Your contribution will be invested in third-party certified carbon reduction projects that combat climate change. In addition to reducing emissions, these projects help protect forests and the biodiversity within, and/or create opportunities for communities to better their livelihoods and health.”*

3. [Clean Cargo](#)

*“The Clean Cargo Working Group represents the leading buyer-supplier forum for companies to report on emissions to their value-chain partners, discuss environmental performance, and collaborate towards the decarbonization objectives set forth by the IMO and other global climate targets. By joining Clean Cargo, Rock-It Cargo sends a clear signal to customers that we are dedicated to reducing the environmental impacts of our ocean transportation and are actively working to promote more responsible shipping.”*

4. [Covenant House](#)

*“For more than four decades, Covenant House has helped transform and save the lives of more than a million homeless, runaway and trafficked young people. We offer housing and support services to young people in need – reaching 80,000 boys and girls every year - throughout the United States, Canada, and Latin America.”*

5. [Truckers Against Trafficking](#)

*“Truckers Against Trafficking (TAT) exists to educate, equip, empower and mobilize the trucking, bus and energy industries to combat human trafficking as part of their regular jobs.”*
